Biographical Note

The Palma Ceia Women's Club began as a chapter of the Florida Federation of Business and Professional Women's Club, Inc., one of numerous clubs that comprise the National Federation of Business and Professional Women's Clubs. The Palma Ceia Women's Club was one of 2,900 such clubs throughout the United States that began to grow in the early part of the twentieth century, particularly in the 1920s. The Palma Ceia chapter began in the 1950s as a means for women within the workforce to find fellowship and friendship with other women of various interests, to support each other through self-expression, leadership, business prestige, information, action, and mental, physical and spiritual guidance.
