Biographical Note

Dr. Stephen Gyland (-1960), was a Tampa physician who was a pioneer in the study and treatment of functional hypoglycemia and atopic eczema during the 1950s. Dr. Gyland's work regarding hypoglycemia and its symptoms is cited in a number of publications, most notably in William Dufty's *Sugar Blues* and Jim and Tammy Faye Bakker's *How We Lost Weight and Kept It Off!*.

Scope Note

Included are the correspondence and research documents of Dr. Gyland, including exchanges between him and other prominent contemporary researchers in the field, such as Dr. E.M. Abrahamson and Dr. Harry M. Salzer.

Arrangement Note: Alphabetically by subject. Folder contents are arranged chronologically.

Arrangement
