Biographical Note

Scope Note

The collection includes materials from 1988-1996, when Jim Davis served in the Florida State House, and from 1997-2006, when he served in the U.S. House of Representatives. The wide variety of materials includes documents, correspondence, memoranda, constituent opinion forms, constituent mail, audiocassettes (including radio interviews), speeches, education and health care documents, legislative files, meeting files, strategic plans, bills, records, publications, personal papers, as well as photographs, press clippings, and videos. Areas of interest include the Clinton impeachment, the legal battle over Terri Schiavo, the invasion of Iraq, education, abortion, migration, economic embargos, trade, welfare reform, appropriations, environmental law and policy, health care, land ownership and development, housing, the War on Terror, human rights, logging and timber, unemployment, off-shore drilling, drugs, and homeland security.

Arrangement Note: Collection is organized into series by type of material. Boxes are arranged alphabetically by subject.

Arrangement

Collection is organized into series by type of material. Boxes are arranged alphabetically by subject.
